

# SPONSORSHIP PROGRAM

## 2008 WYOMING TRUCK DRIVING CHAMPIONSHIP

On June 7, 2008, an expected 40 – 50 drivers will compete in the Wyoming Trucking Association's Truck Driving Championship. Winners in each category will represent Wyoming in the National Truck Driving Championships. This year's national contest is being held August 19-23, 2008 in Houston, Texas.

The competition is rigid and requires the driver to be knowledgeable and efficient in the areas of safety, courtesy, federal and state laws, first aid and other phases of operating a commercial vehicle in a safe and efficient manner.

This Championship is a complex event which requires a lot of hard work and time from WTA's Council of Safety Supervisors members and is rather costly, covered only partially by entry fees. A major portion of the expense must be covered by donations.

As a member of WTA, you are invited to be a sponsor of this important safety event. Your name, or that of your company, will be credited in the contest program, the Wyoming TRUCKER magazine and other communications to WTA members and to the public in attendance.

Your FINANCIAL SUPPORT will contribute substantially to WTA's Council of Safety Supervisor's #1 safety activity of the year. We invite and urge your participation as a sponsor of this event by completing the form below and returning to the WTA office by June 2, 2008.
